For over fifty years, The Louisville Youth Choir (LYC) has been a diverse, vital arts outlet for young singers in the metro. As a member agency of the Fund for the Arts, we are continually striving to be seen as a value and asset to our community. LYC services over 60 area private, parochial and public schools and many home school networks as well as area community centers. LYC boasts in its membership representation from every Louisville Metro council district and serves 7 Kentucky counties.

Our hope is that you may have an appreciation for LYC's efforts and will partner with us. LYC would welcome the support from you at *For Love of Music*, LYC's annual fundraising dinner and silent auction which will be held at The Olmsted on January 26, 2020 at 5:00 PM. This event aids in operations and programming costs. Corporate tables of eight are available for purchase for \$500, couple's tickets are available for \$125 and single tickets are \$75. Silent auction items and corporate sponsorships are also needed. The Louisville Youth Choir is a registered non-profit 501(c)3 so donations are tax deductible.

Thank you for your time and consideration for The Louisville Youth Choir (LYC.) We would be honored for you to have a vested interest in the value of our mission of creating "Stars of today...Leaders of tomorrow!" Our singers reap the benefits from community leaders like you. You not only provide opportunities, but your support to an organization like LYC can also contribute to the self-esteem, confidence, teamwork skills and humanity of many young, talented people through our area. The consideration of this correspondence was given once, but your support would be long-felt, and the memory of your generosity would ring with our singers always. Your involvement and interest could enable young singers who otherwise would not have been able to afford the opportunity, to participate in our one-of-a-kind programming.

Thank you again on behalf of the singers, staff and board of directors. Your time and input would be appreciated by all of us involved with The Louisville Youth Choir. We truly are inspired by your interest in helping to secure the artistic nature of our community, and by your willingness to consider investing in the performers of tomorrow.

Sincerely,

Terri E. Foster
